

All For Me

All for me, you did it all for me
I was so wrong, the chances I have blown
It showed how much I know, as far as I can show
You did it all, you did it all for me

All for me, you did it all for me
You gave your best, how dare I give you less
You look right past my faults; in still you paid the cost
You did it all, you did it all for me

I never will forget it, I never will forget those sleepless nights
You did it all for me
When living with my shame
You always forgave, you did it all
You did it all for me

Now how can I go on, how can I go on
Without your love, your love that paid the price
And what a sacrifice, and you laid down your life, you did it all

You did it all for me
You did it all
You did it all for me
I couldn't go on
You did it all for me
All for me, all for me
