

# Picture Perfect (Featuring Phonte)

Girl you are  
Picture perfect  
Perfect vision  
In my eyes

## ***Hook:***

Girl you are  
Picture perfect  
Perfect vision  
Yes you Are

## ***1st Verse:***

I couldn't draw you better baby  
You were so divine I guess  
God took his time when he  
Came up with your design  
(yeah)

I couldn't draw you better baby  
Words can't describe how you  
Look under these stars tonight  
Blessing to my eyes

Repeat Hook

## ***2nd Verse:***

I couldn't draw you better baby  
Just holding your hand gives me  
Satisfaction similar to  
When two lovers dance (ooh)

Couldn't draw you better baby  
Neck was made for me to kiss on  
All my songs they seem to run on  
If I write about you

Repeat Hook

## ***3rd Verse:***

I couldn't draw you better baby

Look into your eyes I see  
Beauty is not only skin deep  
I'm in love with your mind (oh yeah)

Couldn't draw you better baby  
Only dreams can duplicate you  
I thank God each day he made you  
And that you chose me

Repeat Hook

***Phonte's Rap***

(It's Phontigga) Listen  
If you must know girl  
You're my experiment  
Your body is a canvas  
And I'm a hit her  
With long brush strokes  
Got her calling my name  
I ain't not formally trained  
I'm just drawing from experience  
Worth more than millions  
Holla if ya feeling it  
Real love it takes care of all of your needs  
So beautiful you fall to your knees  
In an instant  
Like it was a Rembrandt  
Or a Matisse  
Cause it is nothing like the new freedom  
Of two beings being in love  
You see 'em  
Holding hands  
Broad daylight 2PM  
A perfect portrait  
That's worthy of a museum  
I can't call it  
Conclusion I can't draw it  
Can't understand why so  
Many still heartless  
Trying to find imperfections in the Mona Lisa  
Even if you find one baby it's still flawless  
Check me out

**Special Bridge:**

Jealous of your jeans girl  
Cuz it can rub your long legs  
Of your hat girl  
Cuz it can kiss your forehead  
Jealous of your belt girl  
Can it can hug your waistline  
Hug your waistline  
Hug your waistline

Jealous of your dress girl  
Cuz it can rub your hips yeah  
Of your lipstick  
Cuz it can kiss your lips yeah  
Jealous of your shoes girl  
Cuz they can kiss your toes yeah  
Rub your toes yeah  
Kiss your toes yeah

Jealous of your earrings  
I wanna kiss your ears yeah
