

Shake Her Hand

Uh...
Yeah.....
Mmm Mmm Mmm...
Oh... Oh Oh Oh... Oh oh oh...

Verse I

You can say she was a big of my words
And that dress she had on I was a fan of her curves
Guess she and I had a whole lot in common
And most circumstances I be all in

But I gotta new shawty and I really kinda dig her, yeah
So chillin' with this girl don't fit in the picture, aye

Hmm...but she wanna know what I got going on later on
And would it be wrong if she tag along
(I thought to myself)

Hook

I gotta girl back at home
And I can't afford to just carry on
A wise man once told me when you're facing this
Shake her hand, and just walk away
Aye aye aye aye hey....

Verse II

I know it sounds crazy but I just gotta do the "no"
And she looking at me like don't you think that I'm beautiful
Understand I'm a man and your fly-ness is recognized
But before I start not thinking right
Probably best I say good night

I...guess she understood though she didn't seem happy, no
I mean, how often do guys look in her eyes and just tell her no
Mmm...maybe things would've been different few months ago
Clothes would've just said Geronimo
You never know...

Hook

I gotta girl back at home
And I can't afford to just carry on, sugar
See a wise man once told me when you're tempted with this
Shake her hand, and just walk away... Listen

I gotta girl back at home
And I can't afford to just carry on, sugar
A wise man once told me when you're tempted with this
Shake her hand, and just walk away

Vamp

Cause you can't afford to loose
Someone that you care for, be careful
If you have someone you love
Why would you stay there for...?

Hook

I gotta girl, oooo...yeah
And I can't afford to be out here carrying on (no, no)
A wise man once told me when you're tempted like this
Shake her hand, and just walk away (don't even hug her)

Cause I gotta girl yes I do, and she good to me
Real good to me, Oh...
Wise man once said, aye...
Shake her hand, and just walk away

Blue Erro Soul/ EMI April Music Publishing (ASCAP); B Jazz Music (ASCAP);
Drum Hedz
713 Music (SESAC)
